## wants to be your Primary Care Medical Home

### *What is a Medical Home?*

Primary Care Medical Home is a model of patient care that uses a team-based approach and emphasizes care coordination and communication to provide quality care, help lower medical costs, and achieve an excellent patient care experience. We want to be your one-stop shop for care:

- ❖ You can pick your own primary care provider.
- ❖ You will work with your provider and their team to reach your health goals.
- ❖ You will be involved in your own treatment plan.
- ❖ You will have easy access to all primary care and dental services.
- ❖ We will help you access the services and care that you need, even if we do not have them on site.

### *What services are available?*

- ❖ Family Medicine
- ❖ Dental Services
- ❖ GYN Services
- ❖ Pediatric Services
- ❖ Medicaid EPSDT Screenings
- ❖ Immunizations
- ❖ Pharmacy Assistance
- ❖ Nutritional Counseling
- ❖ DOT Physicals
- ❖ Mental Health and Substance Abuse Counseling
